A woman with long dark hair, wearing a brown sweater, is sitting in a tan leather chair at a table in a cafe. She is smiling and looking at a tablet computer she is holding. A white coffee cup on a saucer is on the table in front of her. The background is a blurred cafe interior with warm lighting.

Infor Sales & Operations Planning

The screenshot shows the Infor Sales & Operations Planning (SnOP) interface. It features a navigation menu at the top with options like Dashboard, Configuration, Data Management, Process, Finance, Demand, Supply, and Integrated. Below the menu is a 'Supply Worksheet' section with a table of supply data. The table has columns for Item, Location, Period, and various weeks (FY12 W27 to FY12 W32). Below the table is a bar chart showing inventory levels over time, with a legend for End Stock, Cover, Depletion, Planned Sales, Shipments, Open Customer Orders, Delivery, Production, and Receipts.
